

KidSTART and the General Population

Data Source: Sacks, V., Murphy, D., Moore, K. (2014). Adverse Child Experiences: National & State-Level Prevalence. Child Trends. Publication #2014-28.

Data Source: Merrick, M.T., Ford, D.C., Ports, K. A., Guinn, A. S. (2018). Prevalence of Adverse Childhood Experiences From the 2011-2014 Behavioral Risk Factor Surveillance System in 23 States. JAMA Pediatrics, 172(11), 1038-1044

What's Different About KidSTART?

Trauma Informed Care

- Clinical Supervision with Psychologist & LCSW
- Care Coordinators hold the trauma history of the family (Caregiver & Child) in coordinating care
- Entire KidSTART team working through a trauma lens
- Collaboration & coordination with KidSTART MH Team
- Ongoing training on trauma-informed care both internally and externally

Administration Factors Considered

- Staff training and experience to discuss sensitive information
- Creation of a safe and supportive environment for caregivers and children
- Value of understanding both child and caregiver experiences
- Resources to support families after trauma history is identified
- Opportunity to educate caregivers on the impact of adverse experiences on mental health in young children

KidSTART First Stop.....

- Caregiver Mental Health
- Child's Development & Behavior
- Family Environment
- Circle of Care
- Review of Barriers

Who is Completing the ACE Screening for KidSTART Children?

How Do Caregiver ACES Impact Child Treatment Outcomes?

- What's "normal" to this caregiver?
- Mental Health Education
- Ongoing screening for depression & anxiety
- Caregivers want a better life for their children

Types of ACEs: Children & Caregivers

Child ACEs

Parent ACEs

ACEs and Score on CBCL

Child Behavior Checklist: Intake

Treatment Considerations

- Trusting Relationship
- Role of Regulation
- Executive Functioning Skills
- Importance of modeling skills
- Skill Building

These strategies would probably help me too!

I feel like I'm not being judged at KidSTART!

Oh, I struggled with this as a child too!

Discussion Questions

- How are you holding the caregiver's experience in your program?
- Are there things you would do differently moving forward?

Thank you! Questions?
